Dear (insert name),

The Pemberton Township Historic Trust exists to educate, document, and preserve the history of not only Pemberton Township, but also to serve as an educational resource for the wider Pine Barrens community. The PTHT takes a multi-pronged approach towards developing materials based on agriculture, transportation, and the general day-to-day lives of past and current residents of the town. It is with great honor, then, to announce that our museum, the North Pemberton Railroad Station Museum, will be reopening with a ceremony from 11:00AM to 2:00PM on May 19, 2024.

The reopening of the museum has been the goal of the PTHT since our reorganization in January of 2023 and is the culmination of hundreds of volunteer hours. Pemberton, both Pemberton Township and Pemberton Borough, deserve to have its history celebrated, analyzed, and taught to our students and residents. It is with great pride that this opportunity to share that history with the community will now be available. Following our grand opening event, the North Pemberton Railroad Station Museum will be open on Sundays from 11:00AM-3:00PM, while the PTHT will continue to hold monthly meetings and author speaker series on various days throughout the month.

Your importance to Pemberton Township is apparent, therefore, it is with great pleasure to personally invite you to the grand opening ceremony, which will begin at 11:00AM. The current plan (which is subject to change), will involve a series of speakers, music, walking tours, and more. Once we begin to hear from invited guests, we will be sharing an itinerary of the day's events. If you would like to speak at the event, then please let me know.

It is my hope that you will be available to make an appearance at the event.

Sincerely,

Paulie Wenger

President, Pemberton Township Historic Trust
