

Burlington County Health Department Flu Shot Thursdays

Getting a flu shot is the best thing you can do to protect your family from getting the flu this season. All clinics will be held on Thursdays.

Regular Clinics

Regular clinics are for individuals 18 years of age and older. No children will be vaccinated. Flu shots and pneumonia vaccines will be offered.

Children's Clinics

Children's clinics will be held on the first Thursday of October, November, December, and January, with an additional date in December, and are for individuals aged 6 months of age and older. Children's flu shots, adult flu shots, and pneumonia vaccines will be offered.
