

## **MEDICAL LEAVE & TRANSITIONAL DUTY**

Firefighters and Fire Police Officers shall not participate in any operations during such time they are on an approved medical leave or transitional duty.

Battalion Chiefs shall notify the Fire Chief or the Fire Chief's designee any time a Firefighter or Fire Police Officer is placed on medical leave.

Transitional duty must be approved by the Fire Director and may require that the Firefighter or Fire Police Officer be examined by a Township designated physician.

Return to duty must also be approved by the Fire Director and may require that the Firefighter or Fire Police Officer be examined by a Township designated physician.
