TOP Soccer is an inclusive program open to children ages 3-14 with special needs. The program offers modified versions of soccer drills and exercises designed to meet the needs of the individual child. TOP Soccer provides a fun, active soccer environment for children with special needs. It is a positive, self-esteem building program.

This program is non-competitive and is designed to be a fun, social experience. The purpose of TOP Soccer is to bring the opportunity of learning and playing soccer to any child who has a mental or physical disability.
